***Poly Clear is a multi-purpose treatment specifically designed for marine applications. Poly Clear will clean, polish and protect quickly and easily with no smudging, smearing or streaking leaving an invisible, anti-static, anti-fog protective shield with superior UV protection that repels dust, fingerprints, dirt, fresh and salt water. Ideal and safe for vinyl windows, glass, Plexiglas, Lexan, Strataglass, plastic, acrylic, wood, marble, polished stone, stainless steel, brass, bronze and chrome.***

**DIRECTIONS:** Simply spray a light mist onto the surface to be treated and spread evenly with a clean, dry cloth. Allow Poly Clear to dry and buff with a clean, dry cloth. Multiple thin layers are most effective.
